

Start-up funding for researchers from abroad

From
January 1,
2024

A start-up funding system to gather excellent researchers from overseas by facilitating their start at NAIST (including returning Japanese nationals)

Eligibility (must meet both):

- ✓ Newly recruited Professors, Associate Professors, or Assistant Professors (excluding Specially Appointed Faculty Members)
- ✓ Researchers/students from overseas institutions (must have belonged to overseas institution(s) for 1 year or more and be employed/enrolled at one when receiving employment offer from NAIST)

How much?

👉 2,000,000 JPY (for 2 years)

Plus!!

*For female
researchers
from abroad*

Eligible for this and start-up funding for female researchers **4** million JPY in total. (Also 2 years)
