

## **Rules for Handling of Research Materials at NAIST**

April 1, 2004

Rule No.2

### **Article 1. Purpose**

This Rule provides for particulars required during the handling of research materials at Nara Institute of Science and Technology (hereinafter referred to as “NAIST”) in accordance with the provisions of Articles 16 and 17 of the Regulation for Handling of Research Materials of Nara Institute of Science and Technology (Regulation No.35 of 2004; hereinafter referred to as the “Research Materials Handling Regulation”).

### **Article 2. Notification When Providing Research Materials to an External Institution**

Notification pursuant to the provisions of Article 5 of the Research Materials Handling Regulation shall be given according to Form 1.

### **Article 3. Research Materials Transfer Agreement on the Providing of Research Materials**

A transfer agreement as specified in Article 7 of the Research Materials Handling Regulation shall, as a general rule, be executed on the following appropriate forms according to the following categories:

- (1) Form 2-1: For non-commercial research purposes (in Japanese)
- (2) Form 2-2: For non-commercial research purposes (in English)
- (3) Form 3-1: Written pledge format for the above non-commercial research purposes (in Japanese)
- (4) Form 3-2: Simplified format for the above non-commercial research purposes (in English)
- (5) Form 4-1: For commercial research purposes (in Japanese)
- (6) Form 4-2: For commercial research purposes (in English)

### **Article 4. Notification When Receiving Research Materials from an External Institution**

When research materials as specified in Article 12 of the Regulation for Handling of Research Achievements at Nara Institute of Science and Technology (Regulation No.34 of 2004) are received from an external institution, notification thereof shall be made according to Form 5.

#### **Article 5. Grant for Encouragement of Providing Research Materials**

1. A grant for encouragement of provision of research materials that is to be awarded to a producer or producers of research materials as specified in Article 10, Section 1, of the Research Materials Handling Regulation (hereinafter referred to as the “research materials grant”) shall, if there are two or more producers of research materials, be divided among the said producers in proportion to the degree of their contribution to the production of such research materials.

2. When research materials produced on and before March 31, 2004 have been provided, and if NAIST has earned revenue on and after April 1, 2004, the grant shall also be awarded to the producer(s) of the said research materials in accordance with the provisions of Article 10 of the Research Materials Handling Regulation.

#### **Article 6. Allocation of Cost of the Production of Materials**

The affiliated chair specified in Section 2, Article 10, of the Research Materials Handling Regulation shall be the chair with which the producer is affiliated, as indicated in the notification of research materials made out on Form 1 specified in Article 2.

#### Supplementary Provision

This Regulation shall come into force as of April 1, 2004.

#### Supplementary Provision

This Rule shall come into force as of May 16, 2005 and apply as of April 1, 2004.

#### Supplementary Provision

This Rule shall come into force as of July 26, 2007.

#### Supplementary Provision

This Rule shall come into force as of April 1, 2011.
